Subject: Launch of SAP Ariba Business Network production environment

Date: 15 January 2025

Dear Contractor,

From 1 January 2025, U. S. Steel Košice s.r.o. (hereinafter USSK) has started to deploy SAP S4 HANA and SAP Ariba systems.

The deadline for launching the **SAP Ariba Business Network** production environment for electronic trading with U. S. Steel Košice s.r.o. was launched **15 January 2025**.

The link to start and log in to your SAP Ariba Business Network account is
<https://supplier.ariba.com>

Login to the system is based on your registration, which took place in the previous weeks.

What launching the system means for you:

- The possibility of submitting quotations for tenders in which you will be contacted,
- Electronic sending of orders,
- Entering of ASN - material advanced shipping notices,
- The possibility of entering invoices (SBI).

We appreciate your cooperation and support in this important endeavor.

If you need assistance or further information, please do not hesitate to contact us:
